To incorporate the violation contained in this petition in future proceedings with the violation(s) previously reported to the Court on February 2, 2016.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

2

Mandatory Condition # 17: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On April 11, 2016, Mr. Gutierrez reported to Alcohol Drug Education Prevention and Treatment (ADEPT) in Colville, Washington, for the purpose of submitting a urine sample for substance abuse testing. The submitted sample tested presumptive positive for cocaine. The offender denied use of any illegal substance, and the sample was then sent to the laboratory for confirmation testing. The laboratory results have been received and reviewed and show a positive result for cocaine metabolite.
